Instructions:

1. Participants are pre-assigned to their small breakout rooms. On the right side of your screen, click **Breakout Room**. There will be ten (10) small breakout rooms.
2. Enter the Room where you are assigned by clicking **Join**. For your room assignment please refer to the **List of Breakout Room Groups** attached to the Notice Reminder we sent.
3. Once you enter the breakout room, kindly wait for other participants to join. As soon as the group is complete, you may now select a **reporter** and a **note taker** who will present the summary of issues discussed by the group.
4. A **report template** will be provided to each group. The selected reporter and note taker shall use the template to record the discussion of the group.
5. The purpose of the breakout rooms is to encourage an interactive and substantive discussion between the participants on the issues they encountered within their respective locality.
6. At the end of the 30-minute period, the small breakout room will automatically close. The host will monitor the time and will give a reminder 10 minutes before the breakout room closes.
7. After the small breakout rooms, participants will then converge into the main room where the moderator will select three (3) reporters who will share their group's discussion. The chosen reporter will be given 5 minutes to share his/her groups discussion.
8. At the end of the session, all report templates should be submitted to the host at her email address: maria.gumal@leb.gov.ph. The report templates from the ten (10) breakout rooms will be posted in website page of **ADB: Developing Environmental Law Champions** under **Session Materials**.
