(8) In the absence of member nominated by the Federal Government, the Chief Engineering Adviser or his nominee shall represent the Federal Government.

(9) The Chairman of the Water and Power Development Authority and Chief Engineering Adviser or their nominees shall be *ex officio* members of the Authority, but they shall have no right to vote.

5. **Remuneration and conditions of service.**---The Chairman and every member shall receive such salary and allowances and be subject to such conditions of service as may be prescribed and shall perform such duties and functions as are assigned to them under this Ordinance or by rules.

6. **Removal of Chairman or Members.**---The Federal Government may, by notification in the official Gazette, after providing an opportunity of being heard and in consultation with the Provincial Government concerned, remove the Chairman or any member, where--

(a) he refuses or fails to discharge or, in the opinion of the Federal Government, becomes incapable of discharging his responsibilities;

(b) he is declared insolvent by a competent Court; or

(c) he is declared to be disqualified for employment in, or has been dismissed from, the service of Pakistan or of Province, or has been convicted by a competent Court of an offence involving moral turpitude.

7. **Meetings of the Authority.**---(1) The Authority shall meet at least once in every month at such time and in such manner as may be specified by regulations:

Provided that until regulations are made in his behalf, such meetings shall be convened by the Chairman as he deems necessary.

(2) The Chairman and two other members entitled to vote shall constitute a quorum for a meeting of the Authority.

8. **Powers and Duties of the Authority.**---(1) The duties of the Authority shall be to--

(a) lay down the basis for the regulation and distribution of surface waters amongst the Provinces according to the allocations and policies set out in the Water Accord;

(b) review and specify river and reservoir operation patterns and periodically review the system of such operation;

(c) coordinate and regulate the activities of the Water and Power Development Authority in exchange of the data between the Provinces in connection with the gauging and recording of surface water-flows.

Explanation.---Actual observation and compilation of the data shall be the responsibility of the respective Province, Water and Power Development Authority and other allied organisations, while the whole process shall be monitored by the Authority;

(d) determine priorities with reference to sub-clause (c) of clause 14 of the Water Accord for river and reservoir operations for irrigation and hydro-power requirements; and

(e) compile and review canal withdrawal indents as received from the Provinces on 5-daily or, as the case may be, on 10-daily basis and issue consolidated operational directives to Water and Power Development Authority for making such releases from reservoirs as the Authority may consider appropriate or consistent with Water Accord.

Explanation.---The directives issued under this clause shall be binding upon Water and Power Development Authority and the Provinces, and shall be followed in letter and spirit;

(f) settle any question that may arise between two or more Provinces in respect of distribution of river and reservoir waters; and

(g) consider and make recommendations on the availability of water against the allocated shares of the Provinces within three months of receipt of fully substantiated water accounts for all new water projects for the assistance of the Executive Committee of the National Economic Council.

(2) Any question in respect of implementation of Water Accord shall be settled by the Authority by the votes of the majority of members and in case of an equality of votes, the Chairman shall have a casting vote.

(3) A Provincial Government or the Water and Power Development Authority may, if aggrieved by any decision of the Authority, make a reference to the Council of Common Interests.

CHAPTER III

ADVISORY COMMITTEE

9. **Advisory Committee.**--- The Authority shall have an Advisory Committee consisting of the following--

(a) Chairman of the Authority, who shall also be the Chairman of the Advisory Committee;
