Purchase of improvements during currency of lease – (1) The holder of a lease of Government land on which there are improvements belonging to the Government may, with the approval of the Board, at any time elect to purchase those improvements at the value at which they are included in the rental value of the land. Any such purchase may be for cash or over such period as the Board approves.

(2) Where the purchase price is payable otherwise than in cash the amount owing to the Government is deemed to have been advanced to the lessee by the Board and shall be secured and made payable in such manner and subject to such conditions as the Board determines, together with interest thereon at the rate of 5% per annum.

(3) Where a lessee elects to purchase improvements belonging to the Government in accordance with the provisions of this section the rental value of the land and the rent payable under the lease shall be reduced proportionately as follows:

(a) where the purchase is made concurrently with the renewal of the lease, as from the commencement of the term of the renewal lease; and

(b) where the purchase is made during the currency of the lease, as from the date on which the purchase price is paid (where the improvements are purchased for cash), or as from the date on which the money is deemed to be advanced to the lessee by the Board (where the improvements are purchased for cash) or as from the date on which the

purchase money is deemed to be advanced to the lessee by the Board (where the improvements are purchased over a period of time).

54. Board to consent to dealings with leases – (1) A lessee shall not transfer, sublease, mortgage, or otherwise dispose of his or her interest, or any part thereof, in the land subject to the lease, unless he or she has first obtained the consent of the Board. In this section, "mortgage" includes a variation of mortgage.

(2) The Board shall at all times have power, in the public interest and in its discretion, to refuse an application for consent whatsoever, or to grant its consent subject to such conditions as it thinks fit:

PROVIDED THAT the Board shall not consent to a mortgage except for the erection of a dwelling on the land or to increase the production thereof, and may take such steps as it thinks fit to ensure that the mortgage money is applied for such purposes and not otherwise.

(3) No transfer, sublease, mortgage, or other disposition of a lease shall be valid unless all the conditions, whether expressed or implied, on which the lease was granted (including the condition for the payment of rent) shall have been complied with up to the date of transfer, sublease, mortgage or other disposition.

(4) A person to whom a lease has been lawfully transferred shall have all the rights and privileges and be subject to the same obligations as the original lessee and the former lessee shall thereupon cease to be liable for a subsequent breach of a covenant, condition, or obligation (expressed or implied) in the lease.

(5) With an application for consent to transfer, sublease, mortgage, or otherwise dispose of an interest there shall be paid such fee as may be prescribed.

55. Transfers by executors and administrators – On the death of the owner of a lease, his or her executors or administrators shall have power

to assign the lease to a qualified person approved by the Board, but the consent of the Board shall not be necessary for any such assignment if made to a person entitled thereto as a trustee or beneficiary under the will or claiming under an intestacy.

56. Notice to Chief Executive Officer of transfer by executor or administrator – An executor or administrator who assigns a lease to a person entitled thereto under a will or claiming under an intestacy shall forthwith notify the Chief Executive Officer in writing of the full name and address of the assignee, and no such assignment shall be registered by the Land Registrar unless he or she is satisfied that the notice has been given to the Chief Executive Officer.

57. Transfer by Chief Executive Officer where no probate or letters of administration applied for – (1) If no probate is granted or no letters of administration are issued within 6 months after the death of the owner of a lease and the Chief Executive Officer is of opinion that the lease is of so small a value that it is expedient to exercise the powers hereby conferred upon him or her, he or she may either sell the lease and execute a transfer of the same to a qualified person, and receive the purchase money on account of the persons entitled thereto under the will or intestacy of the deceased, or he may execute a transfer of the lease to the person appearing to him or her to be entitled thereto under the will or intestacy, or to any one or more of them in trust for all.

(2) No person shall have a claim against the Government or against the Chief Executive Officer in respect of anything done by the Chief Executive Officer under the powers conferred under subsection (1).

58. Mortgages of leases – (1) In every mortgage (other than to the Government or to a Department of State) of a lease of Government land there shall be implied the following conditions:

(b) a sale shall be advertised in at least 1 newspaper usually circulating in the district in which the land is situated;

(c) no sale shall take place earlier than 14 days after the first publication of the advertisement notifying the sale;

(d) where a mortgaged property has been offered for sale by public auction or public tender in accordance with the foregoing provisions of this section and has not been disposed of, it may with the consent of the Chief Executive Officer, be sold by private contract; and

A sale proceeded with after tender of those amounts shall, but only as between the mortgagor and mortgagee, be void if the mortgagor continues ready to pay the amount so tendered.

(2) A covenant in a mortgage purporting to vary any provision of subsection (1) is void.

(3) No mortgagee of a lease shall be required to make a statutory declaration under this Act unless he or she becomes a purchaser under the provisions of the mortgage, but he or she shall make such a declaration before the Board consents to a transfer of the lease to him or her.

(4) The transferee or purchaser (other than a Department of State) of a

lease under any power of sale vested in any mortgagee, or assignee, or trustee in bankruptcy shall not be admitted into possession or occupation of the land comprised in the lease until he has deposited with the Chief Executive Officer a statutory declaration in the form or to the effect of the declaration (if any) which he would be required to make if he or she were an original lessee.

59. Encumbrance not to affect Board's power of forfeiture for breach of conditions – An encumbrance, lien, or interest registered against the estate or interest of a person in a lease shall not in any way limit or affect the right of the Board to forfeit the lease for breach of conditions, and generally to exercise the powers conferred by this Act in like manner as if no such encumbrance, lien, or interest existed.

60. Lessee to reside – (1) The lessee of any land shall within 1 year after the date of his or her lease, or within such further period as the Chief Executive Officer may allow, commence to reside personally on the land comprised in his or her lease and thereafter throughout the term of his or her lease shall reside continuously thereon unless exempted from doing so under section 61.

(2) Where the lessee resides on land which adjoins the land held under lease, he or she is treated to be complying with this section. For the purpose of this section, lands are treated to adjoin if separated only by a road, street, river, or stream, or by such distance as the Board may in each case determine.

(3) Where land is held on lease by 2 or more persons as joint tenants or as tenants-in-common, residence by 1 or more of the lessees is, at the discretion of the Board, treated to be residence by all of them for the purpose of this section.

61. Residence where land held by executor, administrator, or trustee

– The executors, administrators, or trustees of the deceased owner of a lease may continue to hold the same in trust for the persons beneficially entitled thereto under the will or intestacy of the deceased, and the conditions as to residence may be fulfilled by the persons so beneficially entitled, or by any of them, or by a suitable person or persons appointed by the executors, administrators, or trustees pending the vesting of the lease in the persons entitled or during the minority of any beneficiaries, as if they were the owners of the lease.

62. Exemption from residence – (1) Where the lessee is an unmarried man or woman living in the locality and residing with his or her parents or near relatives, the Board may approve the postponement of the commencement of residence.

(2) Where a lessee is unable, because of his calling or vocation, or the state of his health, or any other reason which the Board considers sufficient, to take up or continue personal residence on the land comprised in his or her lease, the Board may exempt the lessee from personal residence.

(3) A lessee who has married the owner, lessee, or occupier of other land, whether Government land or freehold land, may, in the discretion of the Board, be exempted from residence on the land held under the lease.

(4) Any postponement or exemption under this section may be for such period and subject to such terms as the Board may determine, and, in particular the Board may require the lessee to effect improvements additional to those which he is required to effect under this Act and may require him or her to provide a substitute who shall remain in continuous residence during the period of postponement or exemption.

63. Land to be properly farmed – In every lease under this Act of farm land, there shall be implied on the part of the lessee a covenant that he or she will throughout the term of the lease:

Preservation of timber – In a lease under this Act of farm land there shall be implied on the part of the lessee a covenant that the lessee will not throughout the term of the lease, without the prior consent of the Chief Executive Officer, given on such terms and conditions (including the payment of royalty) as the Chief Executive Officer thinks fit, fell, sell, or remove any timber, tree, or bush growing, standing, or lying on the land comprised in the lease, and that he will throughout the term of the lease prevent the destruction or burning of any such timber, tree, or bush, unless the Chief Executive Officer otherwise approves:

PROVIDED THAT the consent of the Chief Executive Officer shall not be necessary where any timber or tree is required for any agricultural, household, road making, or building purpose on the land comprised in the lease, or has been planted by the lessee.

65. Implied covenants as to improvements – In every lease under this Act there shall be implied a covenant on the part of the lessee that he or she will to the satisfaction of the Chief Executive Officer throughout the term of the lease:

(a) cut and trim all live fences and hedges, clear the land of all noxious weeds; and

(b) maintain all improvements belonging to the Government (including improvements which are being purchased by the lessee by instalments over a period of years), and repair and maintain and keep in good substantial repair, order, and condition all buildings, fences, gates, and other erections then existing or thereafter erected on the said land, and will not, without the prior written consent of the Chief Executive Officer, pull down or remove them, or any part of them; and

(c) insure against loss or damage by fire all buildings belonging to the Government (including buildings which are being purchased by the lessee by instalments over a period of years), to their full insurable value in the joint name of the Chief Executive Officer and the lessee in some insurance office approved by the Chief Executive Officer, and will duly pay all premiums falling due under the insurance policy or policies, and deposit with the Chief Executive Officer every policy for insurance issued and in force and, not later than the forenoon of the day on which any such premium becomes payable, the receipt for that premium; and that, if the lessee fails or neglects to effect or maintain any such insurance or to deposit the policy or premium receipt, it shall be lawful for, but not obligatory upon, the Chief Executive Officer to effect that insurance or pay that premium and to recover all payments made in respect thereof in the same manner as rent.

66. Covenants to be binding on executors and assigns – (1) A covenant implied by section 63, 64 or 65 is taken to be entered into on the part of the lessee for himself or herself, his or her executors, administrators, and permitted assigns; and in those sections, “lessee”, where the context so requires, includes the lessee’s executors, administrators, and permitted assigns.

(2) A covenant implied by section 63, 64 or 65 is binding on the lessee

as if fully set out in the lease; and non-fulfilment of any such covenant shall be a breach of the covenants and conditions of the lease entitling the Board to declare the lease to be forfeited under this Act.

67. Further express covenants and conditions may be required by the Board – A lease under this Act may contain any further express covenants and conditions on the part of the lessee, not inconsistent with this Act, as the Board determines, either generally or in any particular case, or class or classes of cases.

68. Improvements to be effected – (1) The holder of a lease under this Act shall, within such period as the Board determines, effect on the land comprised in his lease improvements to such value as the Board determines, either generally or in any particular case or class or classes of cases, and shall thereafter maintain the same in good order, repair, and condition to the satisfaction of the Board.

(2) In determining the value of the improvements to be effected under subsection (1), the Board shall have regard to:

(a) the classification of the land under section 28(1); and

(b) the extent to which the land is already improved; and

(c) the purpose for which the land is suited or intended to be used; and

(d) any other matters which in the opinion of the Board may be relevant.

(3) A determination of the Board under this section shall be made before public applications for the land are called for or, where land is disposed of without competition, shall be made when the application is approved.

(4) A determination by the Board under this section may, at the request of the lessee, be modified at any time by the Board in any case where it appears equitable to do so.

69. Board to be judge of fulfilment of conditions – Where a lessee is required to fulfil certain conditions, whether expressed in the lease or implied under this Act, the Board shall be the sole judge whether a condition has been fulfilled, and shall have power to enforce fulfilment or, in the event of the lease being forfeited for the non-fulfilment of the conditions as provided in Part VII, to recover possession of any land, improvements, or money which is forfeited to the Government by reason of the breach of any such condition.

70. Adjustment where land included in or excluded from lease – (1) Where land is incorporated in or is excluded from a lease which is registered in the Land Registry Office, the Chief Executive Officer shall prepare and sign a certificate setting forth such particulars with respect to an alteration in area, rental value, rent, instalments of purchase money and interest, or other matters as he may deem necessary in the circumstances of the case. The certificate shall have endorsed thereon or attached thereto a plan of the lands affected, and shall be produced to the Land Registrar, who shall thereupon endorse on the relevant lease a memorial of the same.

(2) Where any land is incorporated in a lease as aforesaid, the land so incorporated shall, on the endorsement on the lease of an appropriate memorial by the Land Registrar, be held by the lessee on the same tenure and subject to the same terms and conditions as those on which the land with which it is incorporated is held.

(3) Any land so incorporated in a lease shall be subject to the same reservations, trusts, rights, titles, interests, and encumbrances as those to which the land with which it is incorporated is subject.

71. Lost lease – (1) The Board on being satisfied that a lease (not being a lease registered under the Samoan Land Registration Order 1920 (NZ)) has been lost or accidentally destroyed, may issue a new lease in lieu thereof, on such terms and conditions and on payment of such fee in each case as it thinks fit.

(2) Where an endorsement is required to be made on any such lease that has been lost or destroyed, the Board may issue a new lease in lieu thereof, and may make the required endorsement thereon, or, if it thinks fit, may incorporate the substance of the endorsement with the terms of the original lease and insert them together in the new lease.

72. Land held under lease may be resumed – (1) The whole or any portion of any land held under lease may be resumed by the Government if in the opinion of the Minister the land is required for a road, or street, or any public purpose, and in that case the lease shall, as from a date to be specified in notice signed by the Minister and published in the Samoan Gazette, be determined insofar as it relates to the lands specified in that behalf in that Samoan *Gazette*.

(2) Upon resumption of part of any land held on lease the rent payable by the lessee shall be abated in the proportion to the whole rent payable under the lease which the value of the area so resumed bears to the value of the whole area so held, excluding in each case the value of improvements belonging to the lessee; and upon resumption of the whole or any part of the land held by him or her, the lessee is entitled to:

(a) compensation for any improvements belonging to the lessee then in existence on the land which has been so resumed; and

(b) also for the value of the lessee's interest in the unexpired term of the lessee's lease over the land so resumed.

(3) A lessee having an estate or interest in any land injuriously affected by reason of any such resumption is entitled to full compensation for that injurious affection.

(4) If by reason of such resumption any portion of the land is so severed from the rest as in the opinion of the lessee greatly to diminish the value thereof, the lessee is entitled to:

(a) surrender any portion so severed; and

(b) a further proportionate abatement of rent; and

(c) compensation, as if the portion so surrendered had been actually resumed.

PART VI RENEWAL OF RENEWABLE LEASES AND REASSESSMENTS

73. Lease in exchange for land resumed – (1) Where the whole or portion of any Government land held under a lease is resumed under section 72, or is or has heretofore been taken for any public work, and the lessee has agreed to accept as compensation in whole or in part therefore a lease of any other Government land, a lease of that other land may, despite anything to the contrary in this or in any other Act, be granted to him or her accordingly.

(2) The land may be incorporated in the original lease or in any other lease held by the lessee.

74. Rent on renewal of renewable lease – The yearly rent payable in the first and each subsequent renewal of a renewable lease granted under this Act shall be determined under this Part.

75. Valuation for calculation of renewal rent – (1) Not earlier than 1 year and not later than 5 months before the expiry of a renewable lease the Board shall cause the following values to be ascertained:

(a) the value of the improvements which are then in existence and unexhausted on the land included in the lease, and which have either been put on the land by the lessee or his predecessors in title during the continuance of the lease or have been purchased by the lessee or his predecessors in title as existing at the commencement of the lease; and

(b) the value of all other improvements which are then in existence and unexhausted on the land included in the lease; and

(c) the value of the land included in the lease exclusive of the said improvements:

PROVIDED THAT the sum of the values under paragraphs (a) to (c) does not exceed the capital value of the land.

(2) In subsection (1), “capital value” means the sum which the land and improvements thereon might be expected to realise at the time of valuation if offered for sale, unencumbered by any mortgage or other charge thereon, on such reasonable terms and conditions as a bona fide seller might be expected to require.

(3) In respect of the improvements referred to in section (1)(b) the lessee shall, at his or her option, either:

(a) purchase the improvements at the value determined either for cash or by instalments, together with interest at 5% per annum over such period not exceeding 20 years as may be determined by the Board; or

(b) pay interest at the rate of 5% per annum on the value determined, in the same manner as rent.

(4) The rental value of the land for the term of the new lease shall be the value of the land as determined under subsection (1)(c), and where the lessee elects undersubsection(3) to pay interest on the improvements referred to in subsection (1)(b), shall include the value of those

improvements as determined under that paragraph.

(5) The yearly rent for the term of the new lease shall be 5% of the rental value as defined in subsection (4).

(6) As soon as possible after the values have been ascertained under subsection (1), and not later than 9 months before the expiry of a renewable lease, the Chief Executive Officer shall deliver to the lessee a notice in writing informing him or her of those values, and requiring him or her to elect whether he or she will accept a renewal lease at the rent based on those values, and to make his or her election in respect of improvements under subsection (3).

(7) If the Board omits to cause the values to be ascertained, or the Chief Executive Officer omits to deliver the said notice to the lessee within the prescribed times, the lessee may require the values to be ascertained and notice to be given at any time thereafter so long as he or she remains in possession of the land, whether the term of his lease has or has not expired, and his right to a renewal of the lease shall not be affected by any such omission or delay.

76. Lessee's election – (1) Within 3 months after the receipt of the notice referred to in section 75 notice in writing shall be given to the Chief Executive Officer by the lessee to the effect:

(a) that he or she accepts the offer of a renewal lease at the rent based on the values set out in the notice and exercises his or her option in respect of improvements in accordance with section 75(3); or

(b) that he or she does not desire a renewal lease, and agrees to the value of improvements under section 75(1)(a); or

(c) that he does not desire a renewal lease, but requires the value of the improvements under section 75(1)(a) to be fixed by arbitration as hereinafter provided; or

(d) that he desires a renewal lease, and requires any of the values set out in section 75(1) to be fixed by arbitration as hereinafter provided.

(2) If the lessee of a renewable lease omits to give to the Chief Executive Officer within the time limited therefor the notice referred to in the subsection (1), he or she is deemed to have agreed to accept a renewal lease at a rental value ascertained under section 75(4), and to have agreed to the values set out in the notice given to him or her by the Chief Executive Officer.

77. Arbitration – Where the lessee requires any of the values set out in section 76(1) to be determined by arbitration as provided in that section, the arbitration shall be by 2 arbitrators as provided in the [Arbitration Act 1976](#).

78. Election by lessee after award –(1) Within 2 months after the making of the award on an arbitration under section 77, the lessee shall, except there the application is made under section 76(1)(c), elect whether he or she will accept a renewal lease at a rent based on the values as fixed by the arbitration, and shall give notice in writing of his or her election to the Chief Executive Officer.

(2) If the lessee fails to give that notice within the time aforesaid, he or she is deemed to have elected to accept a renewal lease at that rent.

(3) Any such election to accept a renewal lease shall amount to a binding agreement to accept the lease.

79. Failure of lessee to sign renewal lease – If the lessee fails to execute a renewal lease within 1 month after the lease has been presented to him for execution, the Board may, unless it considers that the lessee had reasonable excuse for so failing, declare that his or her

right to a renewal lease is forfeited, and his or her right shall be thereupon determine; and the land shall be dealt with by the Board as if the lessee had elected not to accept a renewal lease.

80. Procedure where lessee does not accept renewal – (1) Where the holder of a lease under this Act elects not to accept a renewal lease, or where his right to a renewal lease is declared forfeited under section 79, the land shall be offered for acquisition under this Act, weighted with the value of the improvements belonging to the outgoing lessee as fixed in accordance with this Part.

(2) Where land offered for acquisition under subsection (1) is acquired by an incoming lessee the value of the improvements shall be paid by him or her in cash before he or she is admitted into possession of the land:

PROVIDED THAT with the consent of the former lessee and of any person entitled to receive payment of an amount in respect of the whole or any part of the value of the improvements, the value or any part thereof may be paid by instalments over a period of years or be secured by way of mortgage to the former lessee or other person entitled. A payment by installments over a period of years shall be subject to such conditions as to payment of interest and otherwise, and a mortgage shall contain such provisions, as the Board thinks fit.

(3) All payments under the subsection (3), other than under a mortgage as therein provided, shall be made to the Ministry and paid into a deposit account.

(4) The value of the improvements when so paid as aforesaid shall, without further appropriation than this section, be paid by the Ministry out of the said deposit account to the former lessee or other person entitled to receive payment, less any money due to the Government in respect of the land and improvements and less also the amount of any expenses incurred in recovering possession of the land.

(5) Save as provided in this section, no outgoing lessee or other person shall have any right or claim against the Government, or the Board, or

the Chief Executive Officer in respect of the value of any improvements to which he may be entitled.

81. Appreciation or depreciation of improvements – (1) If the improvements belonging to a lessee have become for any reason appreciated or depreciated in value between the date of valuation or arbitration, as the case may be, and the date of expiry of the lease or on which the lessee gives up possession, whichever is the later, the amount of this appreciation or depreciation shall be added to or deducted from the value of the improvements as fixed by the valuation or arbitration.

(2) If the Board and the lessee are unable to agree as to the amount of the appreciation or depreciation, the amount shall be determined by further arbitration as hereinbefore provided.

(3) Where the Board is of the opinion that the disposal of any land offered for acquisition under section 80 is being hindered by reason of the value of the improvements being excessive or of the terms for payment being onerous, the Board may in its discretion reduce the value of the improvements or vary those terms, as the case may be, and again offer the land for acquisition. No claim shall lie against the Government, or the Board, or the Chief Executive Officer by reason of any such reduction or variation.

PART VII

REMISSIONS, REVALUATIONS, FORFEITURES

82. Remissions and postponements – (1) Where a lessee is unable at any time, by reason of natural disaster, abnormal climatic conditions, illness of or accident of the lessee, or other cause sufficient in the opinion of the Board, to pay the rent due under this lease, the Board

may, on being satisfied that it would be reasonable and equitable to afford relief, remit the rent payable for any period or periods, either in whole or in part, or may postpone the payment of any rent until such date or dates, or reduce the rent for such period as it may determine.

(2) Interest, at such rate as the Board may determine, but not exceeding 5% per annum, may be charged on any rent postponed under subsection (1), payable half-yearly in the same manner as rent.

(3) Any relief granted under this section may be subject to the condition that the lessee shall effect improvements to such value and within such time as the Board determines, in addition to those which he or she is required to effect under the terms of this lease.

(4) On an application for consent to transfer a lease of land in respect of which any rent or interest has been postponed under subsection (1), the Board may grant its consent subject to the condition that the amount of the postponed rent and interest thereon, or a part of that rent and interest, shall be paid prior to transfer.

(5) The provisions of this section as to remissions and postponements of rent apply to a lessee who is purchasing any improvements belonging to the Government, as if the interest payable in respect of unpaid purchase money for those improvements were rent.

(6) The provisions of this section as to postponements of rent apply to a lessee who is purchasing any improvements belonging to the Government as if the principal portion of any instalment of purchase money and interest were rent.

83. Reassessments of rent – The yearly rent payable during period for which such rent is to be reassessed shall be determined with necessary adaptation in the same manner as the rent for the renewed term of a renewable lease is determined under this Part and with a like right of submission to arbitration.

84. Land reduced in value through deterioration, etc. – (1) Where the productivity of any Government land held under lease has by reason of reversion, deterioration, erosion, national disaster, or other cause been seriously diminished, or where the land has become incapable of being successfully occupied as an independent farm unit, the Board may:

(a) reduce the rental value or rent, as the case may be, to such amount as in the circumstances it considers appropriate; or

(b) accept a surrender of the lease and again allot the land, or any part thereof, to the lessee together with such further area of government land as may be necessary to provide a holding which may be successfully occupied as an independent farm unit.

(2) In allotting any land under subsection (1), the Board may determine that the lease shall be exempt either wholly or in part from the payment of rent and of interest on the improvements (if any) for such period and subject to such conditions as it considers in the circumstances to be equitable.

(3) No surrender shall be accepted under subsection (1) without the consent in writing of a person having a registered interest in the lease; and any land allotted under subsection (2) may be subject to the condition that the lessee shall execute an appropriate instrument granting to a person having a registered interest in the surrendered lease a similar interest in the new lease.

85. Certificate respecting revaluation – (1) Where the rental value or yearly rent and interest, as the case may be, are reduced under section 84, the Chief Executive Officer shall prepare and sign a certificate setting forth the reductions in rental value or yearly rent, or interest, as the case may be.

(2) The production of that certificate to the Land Registrar shall be sufficient authority for the Registrar to make all proper entries on the relevant lease registered in the Registrar's office, and on the outstanding

copy thereof when produced to the Registrar; and those entries shall be made accordingly.

86. Surrender of lease – A lessee may, with the approval of the Board given on such terms and subject to such conditions as it thinks fit, and with the consent of a person having a registered interest in the lease, surrender the whole or any part of the land comprised in his or her lease.

87. Lease may be forfeited – (1) Where the Board has reason to believe that a lessee is not fulfilling the conditions of his or her lease in a *bona fide* manner according to their true intent and purport, the Board, after holding an inquiry into the case and giving the lessee an opportunity of explaining the non-fulfilment of the conditions, and being satisfied that any one of the grounds specified in the next subsection has been established may, with the approval of the Minister, by resolution declare the lease to be forfeited.

(2) The grounds on which a lease may be declared forfeit may be any of the following:

(a) that the rent or other payments under the lease have not been paid within 2 months after the time when payment was due; and

(b) that the lessee has not occupied the land comprised in his lease exclusively for his or her own use and benefit; or, while occupying the said land for his or her own use and benefit nominally, has permitted other persons to derive the virtual use and benefit thereof; and

(c) that the lessee has not complied with the conditions implied in his lease or by this Act relating to residence, the proper management of the land, and the effecting of improvements, or with any other condition expressed or implied in his lease; and

(d) that the lessee has left Samoa or cannot be found, or has abandoned the land comprised in his lease, or is deceased and no claimant for the lease can be found.

(3) The right, title, and interest of a lessee under a lease declared to be forfeited under this section shall absolutely cease and determine as at the date of that declaration, and the land comprised in the lease with all improvements thereon, shall revert to the Government of Samoa, and, save as provided in section 90 or 91, the lessee shall not be entitled to any compensation.

88. Gazetting and correction of register after forfeiture –(1) A forfeiture of a lease under section 87 shall be notified in the *Samoa Gazette* and *Savali*.

(2) The production of a copy of the *Samoa Gazette* and *Savali* containing a notice of the forfeiture of a lease shall be conclusive evidence that the lease has been lawfully forfeited.

(3) Where a lease is forfeited the Chief Executive Officer may send a notice of the forfeiture to the Land Registrar, who shall enter a memorial thereof upon the register.

89. Liability for rent up to forfeiture – In every case of the forfeiture of a lease the lessee is liable for rent or other payments in respect of his lease accruing up to the date of forfeiture or the time when possession of the land comprised therein has been obtained by or on behalf of the Board, whichever is the later, but not afterwards.

90. Re-offering of land after forfeiture – (1) Where a lease is declared to be forfeited the Board shall, as soon as possible after the date of the forfeiture or after recovering possession of the land, cause a valuation to

be made in such manner as the Board directs of the improvements effected or purchased by the former lessee.

(2) Subject to section 92, as soon as possible after the valuation referred to in subsection (1) is made, the land shall be offered for acquisition in accordance with the provisions of this Act, weighted with the value of the improvements effected or purchased by the former lessee as determined by the said valuation.

(3) Where the Board is of opinion that the disposal of any land is being hindered by reason of the value of the improvements as provided in subsection (2) being excessive, the Board may in its discretion reduce the value of the improvements and again offer the land for acquisition. (3) A person receiving a notice under subsection (1) may object to the requirements of the notice within 7 days after its receipt on the grounds that those requirements are unreasonable.

132. Offender may be ordered to clear area – (1) Without limiting the powers conferred on Conservation Officers by this Act, where a person is convicted of an offence against this Division, the Court may, instead of or in addition to imposing a penalty, order the offender, under the supervision and to the satisfaction of a person nominated by the Court, to clear up and remove the deposited litter within such period and to such place as may be specified in the order; and on the making of such order the Court may further order that, if the offender fails to comply with the order, he or she is liable, in addition to any other penalty imposed, to a fine not exceeding 5 penalty units.

(2) Where the order is complied with to the satisfaction of the person nominated by the Court, that person shall give or send to the offender and to the Court, a statement in writing to that effect.

(3) Where an offender fails to comply with any such order, the Court on the application of the person nominated by the Court to supervise the clearing and removal of the litter, may issue a summons requiring the offender to show cause why the order should not be enforced.

(4) On the hearing of the summons to show cause, the Court may make such order as it thinks fit.

133. Cost of removing litter – Where a Court convicts a person of an offence under this Division, it may, if it thinks fit, in addition to imposing a penalty, order the offender to pay by way of compensation to the person or Department of State having the control or management of the public place or, as the case may be, the occupier of the private land where the offence was committed such sum as it considers reasonable to cover the cost of the removal of the litter; and the amount so awarded is deemed to be a judgment debt owing to the person, or Department of State, or occupier from the offender and may be enforced in any manner in which a judgment or order of the Court for the payment of a civil debt may be enforced.

134. Savings – Despite any of the provisions of this Act, nothing in this Act affects:
